Choose privacy settings for your device

Microsoft puts you in control of your privacy. Choose your settings, then select 'Accept' to save them. You can change these settings at any time.

Location

Get location-based experiences like local weather and directions to your favorite places. Let Windows & apps request your location, and send Microsoft location data to help improve location services.

On

Diagnostics

Help us fix things and improve Microsoft products and services. Send diagnostic data (including browser, app & feature usage, and inking & typing data) to Microsoft.

Full

Relevant Ads

Let apps use advertising ID to make ads more interesting to you based on your app usage.

On

Speech recognition

Talk to Cortana and Store apps that support voice recognition. Send Microsoft your voice input to help improve speech services.

On

Tailored experiences with diagnostic data

Get more relevant tips and recommendations to tailor Microsoft products and services for your needs. Let Microsoft use your diagnostic data to make this work.

On

Select 'Learn more' for info on the above settings, how Windows Defender SmartScreen works, and the related data transfers and uses.
